

Business, Accounting and Financial Studies

Objectives:

1. To provide students at senior secondary level with fundamental business knowledge and skills, and develop their positive values and attitudes, so that they can fulfil their roles competently and confidently as consumers, investors, employees and/or entrepreneurs.
2. To develop students' generic skills in research, analysis, leadership, team-building, communication, critical thinking, creativity, and problem-solving and transfer them to different domains.
3. To explore different aspects of business to prepare students for life, for learning and for employment.
