

Panel Liberal Studies, Life & Society and Citizenship and Social Development

Objectives:

1. To enhance understanding of society, the country, the human world, the physical environment and related knowledge.
2. To develop multiple perspectives on contemporary mature topics in different contexts.
3. To help students become independent thinkers.
4. To inherit Chinese culture and heritage in a pluralistic society, deepen understanding and sense of identity of individuals with Chinese nationality and Chinese citizenship.
5. To develop skills relevant to life-long learning and strengthen students' ability to integrate and apply knowledge and skills.
6. To help students develop positive values and attitudes towards life, so that they can become informed and responsible citizens of society, the country and the world.
